Instructor:

Susan Booth is Senior Vice President, Mission Growth at the National Safety Council – Nebraska Chapter.

The National Safety Council is a nonprofit organization formed more than a century ago with local state chapters nationwide. The Nebraska Chapter, established in 1924, has a mission focused on reducing injuries and saving the lives of Nebraskans through education, safety training and resources.

In this webinar, Susan will provide a live walk-through of free online resources newly available and relevant to NIRMA members through its Partners in Safety program with NSCN, including streaming videos, an e-newsletter, and much more, all with the click of a few buttons.
