What We'll Explore:

-  **Safety is the Best Offense**
Discover ways to create a culture of prevention by being proactive to address risks.
-  **Defensive Wins**
Learn practical strategies to reduce your liability risks and be in a ready position to defend when litigation arises.
-  **Avoid the Blind Side**
Identify cross-agency opportunities for collaboration, the legal parameters, and why it all matters.
-  **Stay Out of the Penalty Box**
Examine real-world claim scenarios, including what went wrong, what it cost, and the lessons to take away.
